Natural Care for Baby Wellness

Pure Natural Fibres

Carefully Selected

Pure Natural Fibres . Carefully Selected .

THE PURENESS OF COTTON ***THE LIGHTNESS OF LINEN***

For Sensitive Skins

For Thermal Control

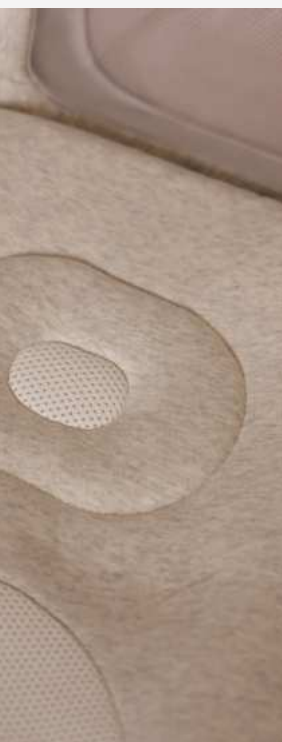

A Sustainable Choice

Made entirely from natural fabrics, the Element collection has been designed to balance maximum baby wellness with sustainability and environmental harmony. The freshness of linen and the softness of cotton are the perfect combination against your baby's sensitive skin, and offer optimal thermal control. Designed to reduce the impact on the environment, Element is also the right choice for your baby's tomorrow.
